## RICK, is PRESIDENT of the CHICAGO FEDERATION of LABOR. He is the mouth-piece for organized labor unions. in the Chicago district, and has admitted that he is a RED, BOLSHEVIST and an ANARCHIST, not in mild form, but persistently so. He urges all other men belonging to unions to make the same declarations. If there is any doubt about the authenticity of this, kindly refer to the front page of the TULSA DAILY WORLD, dated SUNDAY, OC-

"I AM A RED, WHAT

ARE YOU GOING TO

DO ABOUT IT?"

JOHN FITZPATRICK, commanding

the big steel strike, sputtered the above

RED REMARKS. This man, FITZPAT-

TOBER 26TH. We said a week or two ago that organized labor was on a drunk.

THE PEOPLE'S EXCHANGE addresses itself to the patriotic people of TULSA and VICINITY. We know what TULSA is going to do about it. The fight today by labor unions against THE PEOPLE'S EXCHANGE was not precipitated by any move or act of ours. We refused to be a tool or part to their rule of coersion. The management of this institution has always been opposed to the proposition of men grouping, and taking advantage of their fellowmen by reason of concerted action. THE PEOPLE'S EXCHANGE does not feel that it would be just to try to FORCE their employes into such an UN-AMERICAN proposition, even if we, personally, believed in unionism. Every man and woman connected with this concern stands absolutely and unqualifiedly upon his or her merits. The institution as a whole, stands upon the same basis. It does not cater to any clan or group. IT IS UN-BULLIED EVEN BY ORGANIZED LABOR.

THE PEOPLE'S EXCHANGE is highly pleased with its recent INCREASE IN BUSINESS, not alone as we have said before, are we pleased with the increased business, but the conclusive evidence that Tulsa, the Magic City, is strong for the proposition of everybody being upon his own merit and that she is strong for 100 per cent assertion of rights, is gratifying almost beyond ex-

pression.

FITZPATRICK says he is everything that is UN-AMERICAN. GEORGE WASHINGTON was everything that was AMERICAN. THE PEOPLE'S EX-CHANGE is striving and fighting to be everything that we know GEORGE WASHINGTON WAS. We know what TULSA is. As WASHINGTON felt that it was his duty to discharge his deeds that have made our history sacred, THE PEOPLE'S EXCHANGE feels that it is its duty, in our humble way, to take the position that it now stands upon. Let's all pull together, and articulate that powerful resentment in this country against this unscrupulous outrage against the principles of our good land. Do not content your individual selves with thinking about it. DO IT.

MAN, if GEORGE WASHINGTON could hear the remarks made by FITZ-PATRICK, we are sure the spirit that earried him across the DELAWARE, would reassert itself, and SLAP FITZ-PATRICK IN THE FACE. COME DOWN AND LOOK AT JUST ONCE WHAT WE HAVE BEEN LOOKING AT FOR A MONTH—PICKETS— PICKETS.

Watch these columns for some of the greatest money-saving prices on Groceries ever put on or attempted in Oklahoma.

Yours for a greater Tulsa and

Peoples Exchange
